Dr. Kolodziej is board certified (American Board of Orthodontics) and has been in the private practice of orthodontics since 1999. Patients interested in treatment can schedule an initial exam at one of two convenient locations. As a courtesy, all routine initial orthodontic exams for new patients are free (*exams for patients with jaw-joint pain require a special appointment and modest charge*). At the initial exam, Dr. Kolodziej will assess your orthodontic needs and discuss appropriate treatment options. A quote for any proposed treatments will be provided. The appointment time for an initial exam is approximately 20-30 minutes and there is no obligation to pursue treatment.

1495 WARREN ROAD, LAKEWOOD

Located between the U.S. Post Office and Speedway, downtown. Just a few minutes North of the Warren Road exit off of I-90. Ample parking available in the rear of the building.

4597 RIDGE ROAD, BROOKLYN

Adjacent to Biddulph Plaza, just a few minutes North of the Ridge Road exit off of I-480.
